

Customer Upgrade Package

CHECK OUT THESE OAKTREE HIGHLIGHTS!

CLIENT PORTAL

Send forms to clients **BEFORE** your appointment, so they spend more time with you, not their paperwork.

INTEGRATED TELEHEALTH

Secure video chat used for telehealth or staff meetings, built directly in the application.

GENERATIVE AI TOOLS

Using Artificial Intelligence for reporting, outcomes, predictive analytics and just about anything you can imagine.

CUSTOM WORKFLOW

Build your forms. Customize your workflow so you have access to them where and when you need them.
